

## ABOUT US

Asahi Lite Optical Co., Ltd. was founded in 1980. We have been manufacturing and marketing optical lenses for over 40 years in Sabae-City, Fukui-Prefecture, Japan, which is known as “the sacred land of eyeglasses”. From the very beginning, we have been dedicated to developing plastic high index lenses, and we are proud to be the first manufacturer of 1.60 index, 1.67 index and 1.74 index lenses worldwide.

So far, our lenses have been distributed to over 50 countries across the globe through ASAHI-LITE partners. Our products meet or exceed the highest quality standards worldwide, such as ISO9001, ISO13485, CE and FDA, etc.

We are committed to contributing to the realization of a sustainable society.
